Welcome to the Gateway to the West Regional!

Your Gateway Tournament Chair Welcome from Mike Carmen

On behalf of the members of Greater St. Louis Unit, 143, welcome to our Gateway to the West Regional. We have a superb staff of Directors headed by Rick Beye, so we know the games will run smoothly, and many local volunteers are working hard to make sure that everyone has a great time.

Thanks for attending!

Late Night Hospitality

St. Louis offers tasty hospitality for all after each evening session. Join us tonight and talk over the evening's hands. Tonight's Chat & Snack is jumbo cookies & fudge brownies.

Pair Games to Feature Pre-Duplicated Boards

Unit 143 is proud to offer preduplicated boards for all pair games. This means you don't have to duplicate boards from hand records...and you still will be able to see the hands with hand records available after the session. Preduplicated hands are not rigged, we promise! "Computer-dealt hands" are, in reality, a true random deal.

Hate #&@%*! computer-dealt hands?

Did you know... that to create a random deal manually, players must give the deck a through shuffle at least 7 times to guarantee the cards are properly mixed! Remember this the next time you shuffle, deal, and play.

A fellow had made a bad bid and went for 1400. "I'm sorry," he said to his partner, "I had a card misplaced."

Asked his partner innocently, "Only one card?"

Welcome from Our President

Welcome to our tournament and to St. Louis! We are privileged that you have chosen to spend the week playing bridge with us. Thank you to our local players as well as those of you from farther away. We appreciate your support. We hope you enjoy your time at the bridge table and at our excellent St. Louis restaurants. In your free time, St. Louis offers a myriad of sightseeing opportunities to please everyone. Have fun, tell your friends, and hope to see you again next year.
